PROUDLY PRESENTED TO :

IDE-COMPRESSORS

IDE-COMPRESSORS claims to be one of the leading manufacturers in Europe as a manufacturer of high-pressure compressors, filling systems and storage units in accordance with various standards, including DIN EN ISO 9001:2015.

Extensive technical measures ensure that every compressor manufactured by IDE-COMPRESSORS supplies the purest breathing air in accordance with ISO 8573-1:2010.

The prerequisite for this is that the corresponding manufacturer's instructions from the respective manual are followed during the installation and operation of the system.
